

DANCE FOR THOMAS AT YOUNG HOTEL

There will be a special dance given at the Alexander Young Hotel this evening in honor of the passengers on the U. S. transport Thomas and Captain and Mrs. Hart in particular.

As will be remembered Mrs. Hart, for some time a guest of Mrs. Lake at the Young Hotel, was very popular here and many friends will take the opportunity to meet her again this evening.

The folks aboard the transport have long ago been informed of this dance which was arranged and laid out to fit Captain Hart's next arrival at Honolulu and they are looking forward to the hop.

The usual perfect arrangements have been made by Manager Lake and the townsfolk are as usual invited to participate in the good time. The famous Ellis quintette will be in attendance during dinner and the dance.

Eyes Examined

There is no calling where accuracy and skill are more in demand than that of the optician. One familiar with the construction of the eye knows that there are many eye-defects which can not be accurately estimated or corrected by the use of test letters and cards alone.

For this reason we use, in our eye examinations, the several different methods that long experience has taught us bring best results.
